- Tacoma, WA	75	0041130079757	

† Publishing to a Market Group will duplicate the publication to all GLNs within that Market Group.
(Market Groups are only defined via 1SYNC.)

If you publish to these Market Groups, **do not** publish to "SUPERVALU-GM/HBC" Market Group.
(The GLNs in that Market Group overlap with the GLNs listed here.)

Locations not listed in this document are not participating in Data Sync at this time.
